KDC Facilities to be arranged

- Mark 1 if the facilities are available
- Mark 2 if the facilities will be arranged by 1st December 2006 for KDC
- Mark 3 if the facilities will be arranged by sooner date because it is difficult to address that problem with in short span of time
- In case of #3 mention the expected date
- The KDC selection will be based on the aggregate score from above total mentioned options
- The college will be awarded KDC based on the commitment & facilities availability shown in the execution of different programs in the college
- Provisional KDC will be announced by 1st January 2007 and the final KDC list will be announced by 1st Febr uary 2007
- Companies will visit provisional KDCs for ca mpus recruitments
- KDC status will also be measured based on No. of CPRS application.

Select the options according to the present status

1. A dedicated Computer Lab with a capacity of 50 computers¹ backed up by a UPS and a generator

Option : _____(1/2/3)

2. A classrooms with a computer & LCD projector² with a capacity of 50+

Option : _____(1/2/3)

3. A server³ to host the content and applications

Option : _____(1/2/3)

4. Access to the lab & classroom for extended hours of say 16 hours a day, everyday

Option : _____(1/2/3)

5. Access to Internet from the lab

Option : _____(1/2/3)

6. Access to other labs/library resources as needed by the curriculum (e.g. Microwave Engineering for ECE candidates).

Option : _____(1/2/3)

7. Media facilities – TV with cable connection, Digital Video Camera

Option : _____(1/2/3)

8. Other Peripherals -- Mandatory

- TV-Tuner Cards
- LaserJet Printer.
- Scanner – Min 2400dpi.
- TV (52 inch)/LCD Projector
- DVD Player.
- Digital Camcorder -- MiniDV.
- Digital Camera – Min 3.2Mega pixels resolution.

Option : _____(1/2/3)

9. Local Area Network (LAN) – Mandatory

- Switches 4 Nos. each one having at least 2 Nos. of 1Gbps ports and 16 Nos. 10/100 Mbps ports connecting all the 50 computers and servers.
- 1000 Mbps connectivity to Server
- 100Mbps Connectivity to every desktop with networking standards.
- Connectivity between KDC class and KDC Lab.
- Connectivity to all computer labs in the campus with KDC Lab.

Option : _____(1/2/3)

10. Internet Connectivity – Mandatory (Data One preferred)

- 256 Kbps unlimited reliable Internet Connectivity for 24 Hours exclusively for KDC Lab mandatory.
- 512 Kbps is preferred.

11. Power – Mandatory Option : _____ (1/2/3)

- Generator with sufficient capacity for lab and classrooms (30 KVA).
- UPS for Computer lab and Classroom systems with 1 Hour Backup.

12. Additional/Optional Requirements Option : _____ (1/2/3)

- 512 Kbps Internet Connectivity
- Gigabit Backbone Connectivity (Campus LAN)
- Wireless Hotspot in campus
- LAN connectivity for the labs, departments, offices, and library in the campus

Option : _____ (1/2/3)

13. Accommodation Facilities⁴ with in campus or in a Kilometer Range -- Mandatory

- Hostel facility to KDC students [50 Capacity]
- Accommodation & other facilities to CEG mentors [Max of 5]

Option : _____ (1/2/3)

14. Amount of KDC Registration fee* paid: _____

- (a) 50,000 for Engineering Colleges for a year
- (b) 30,000 for Polytechnic College for a year
- (c) 20,000 for Colleges which are interested in getting their students enrolled for CPRS and CPM

Annexure-I

Infrastructure at KDC

1. Personal Computers with the following configuration – (50) Mandatory

Processor	Celeron or Pentium 4 with min 1.5 GHz
Memory	512 MB
Hard Disk	40 GB
Optical Drive	DVD + CDRW Combo
Multimedia	Stereo Head Set with Microphone
Display	17" Color Monitor preferred
Network	10/100 Mbps Ethernet
Keyboard and Mouse	Standard Keyboard and Scroll Mouse
Others (Optional)	Web camera

2. LCD Projector (>= 1400 lumens with XGA resolution)/Projection TV(52")

3. Server System Configuration

- Xeon or P4 - Hyper Threaded 3 GHz or above.
- 2 x 200 GB SATA HDD.
- 1 GB DDR RAM.
- DVD Writer.
- Stereo Head set with Micro phone.
- 1.44 FDD
- 10/100/1000 Mbps Ethernet Card
- 17" Color Monitor
- Keyboard + Scroll Mouse

4. Other Facilities

- Lecture Hall of capacity 50
- Accommodation for Maximum number of 50
- Seminar hall with the capacity of 50

Expected Cost Estimation:

The expected costs of various components which are required to establish a well organized KDC are mentioned below:

- | | |
|---|-----------------------------|
| 1) Personal Computer with the specified configurations (50) | – Approx. cost Rs.12,50,000 |
| 2) Server system with the specified configurations | – Approx. cost Rs. 70,000 |
| 3) TV-Tuner card (5) | – Approx. cost Rs. 17,500 |
| 4) LaserJet printer (3) | – Approx. cost Rs. 36,000 |
| 5) Scanner | – Approx. cost Rs. 4,000 |
| 6) DVD Player | – Approx. cost Rs. 4,000 |
| 7) Digital Cam coder | - Approx. cost Rs. 25,000 |
| 8) Digital Camera | – Approx. cost Rs. 15,000 |
| 9) LCD Projector / Projection TV (52”) | –Approx. cost Rs.1,00,000 |
| 10) Local Area Network Establishment | – Approx. cost Rs. 1,00,000 |
| 11) Internet Connectivity | – Approx. cost Rs. 1,00,000 |
| 12) Eklavya Channel | – Approx. cost Rs. 10,000 |
| 13) Local Channel | – Approx. cost Rs. 1,00,000 |

Approx. cost Rs. 18,315,00

Program/Modules to be run at KDC's

-
1. Generic Courses of the Infosys Campus Connect Program
 2. Technologies like .NET,J2ee, Linux and Unix Administration
 3. Soft Skill Program
 4. Project for the Second year, Pre final year and Final year Students

Selection Criteria for students

An Aptitude and Technical Test will be conducted at the KDC's.

At least 40% seats will be reserved for the students of the KDC organizing the program.

10% seats will be reserved for the students from rural background.

20 % seats will be reserved for female students.

Student fees

16,000/- For Engineering students

12,000/- For Polytechnic Students

The fees is same for CPRS and GPM. It should be deposited in the form of DD in favor of

“ Director CEG”.

Correspondence Address (Submit the filled applications at the following address along with DD)

Director CEG

Centre for Electronic Governance (CEG)

Govt. R.C. Khaitan Polytechnic College Campus,

Jhalana Doongri, Near RTO Office,

Jaipur - 302004 Rajasthan, INDIA

Benefits of becoming KDC:

- Recognition as a centre of excellence.
- CEG gets the companies to the colleges for campus placement. So there is a chance for the college being attended by the companies.
- Well prepared multimedia content for Soft-Skills and Electives / Technical Skills.
- Learning Management System / Training Management System.
- Software and Tools from IBM, Microsoft, BEA, Red-hat and other KDC partnered companies.
- Training on Certifications from companies such as IBM and other partnered companies to promote students of the college by IT-Associates.
- Projects are executed within the college campus and the experience will be distributed to the 3rd year students.
